

# Dial-Up Networking for Windows 2000

(Revised August 2011)

## INTRODUCTION

This guide contains the information you need to set up your Windows 2000 computer to dial into the Sailor Network using a Sailor Cruise Account or Sailor VIP Account.

Your computer must have an internal or external telephone modem. The modem must be connected with a telephone cord to a telephone wall jack, preferably with a surge protector between the modem and the wall jack.

## SET-UP

1. Click **Start**, then **Settings**, and then **Network and Dial-up Connections**.
2. Choose **Make New Connection**.
3. Click **Next** on the first Network Connection Wizard window.
4. Choose **Dial-up to private network** and click **Next**.
5. Click the **Use dialing rules** box.
6. Enter the ten digit **Sailor Dial-Up Access phone number that is a local call** from your location. (See the last page of this document for the list of numbers for each county.) Click **Next**.
7. Choose the **Connection Availability** option that is appropriate for your PC. Click **Next**.
8. Type Sailor into the **Type the name you want to use for this connection:** box. Click **Finish**. (Note: A Shortcut for this connection will be automatically created on your Desktop.)
9. When the **Connect Dial-Up Connection window** is displayed, click on the "Dial properties" button to edit the dialing settings if
  - if you want to list your area code here, be sure to delete the area code from the phone number box (above).
  - if you must dial **9** for an outside line, choose this.
  - if you use Call Waiting, to choose **\*70**, to disable Call Waiting for the duration of your call.

## CONNECTING

1. Double click the **Sailor Shortcut** on your Desktop.
2. In the **Connect Dial-Up Connection** window, enter your **User ID** and **Password** in the boxes provided. (Refer to your Passport for this information.)
3. Click the **Connect** button to place your call.

**IMPORTANT NOTICE:** *Be careful not to dial Sailor numbers that are long distance from your dialing location. Sailor is not responsible for long distance charges incurred using Sailor telephone numbers.*

**NEED ASSISTANCE?** Call the Sailor Help Desk at (410) 396 – 4636.

## **Sailor Dial-Up Access Numbers**

*Please be careful to only use numbers that are Local Calls from your location.*

*If you use a number that requires "1" before the Area Code to make a connection, you may incur Long Distance charges. Sailor is not responsible for Long Distance charges incurred dialing Long Distance into Sailor dial access numbers.*
